IMPORTANT INFORMATION

CODIFIED ORDINANCES of the City of Easton, Article II, Chapter 180, §180-16(F) Response Upon Notification. *Any person listed as an emergency contact on the emergency alarm registration, including the alarm user, shall promptly proceed to the address registered when notified by the City's Communications Center and/or the alarm company that an alarm system has been activated there and render necessary assistance, including, if required, the opening of the premises so that the building may be searched by police responding to the alarm.*

Chapter 180, §180-16(H) Permit Required - *The alarm user shall secure a permit from the Bureau of Codes for each address where an alarm system is to be installed prior to installation. A permit will include an acknowledgement of intent to comply with all provisions of this ordinance and a comprehensive disclaimer for the City in the event of any death, injury, or property loss, etc., due to any equipment failure, or failure on the part of the alarm user, or any other liability that might be incurred because of the presence of such an alarm system, for which the alarm user shall place his legal signature upon, and a copy thereof provided to all appropriate departments. Alarm systems installed prior to the effective date of this Article shall, within sixty days of the effective date of this article, comply with this section. All alarm systems shall comply with the City's electrical code and any other applicable codes.*

Additionally, **Section 7511(c)(1) of the Pennsylvania Crimes Code** states as follows: *“False alarms prohibited – A person that owns, uses or possesses an alarm device or automatic dialing device may not, after causing or permitting three (3) false alarms in a consecutive 12-month period, cause or permit a subsequent false alarm to occur in the same consecutive 12-month period. A person that violates this paragraph commits a summary offense and shall, upon conviction, be sentenced to pay a fine of not more than \$300.00.”*
