Parking Enforcement and Fine Adjustments

During this transition phase, parking enforcement officers will be operating under the 2012 city ordinances for purposes of writing meter violation tickets. Additionally, warnings will be issued to any vehicles in violation of the 2013 ordinances from March 1st, until April 1st, 2013. This is in an effort to inform the public of pending changes in enforcement policy. Beginning April 1st, 2013 full enforcement will be in place.

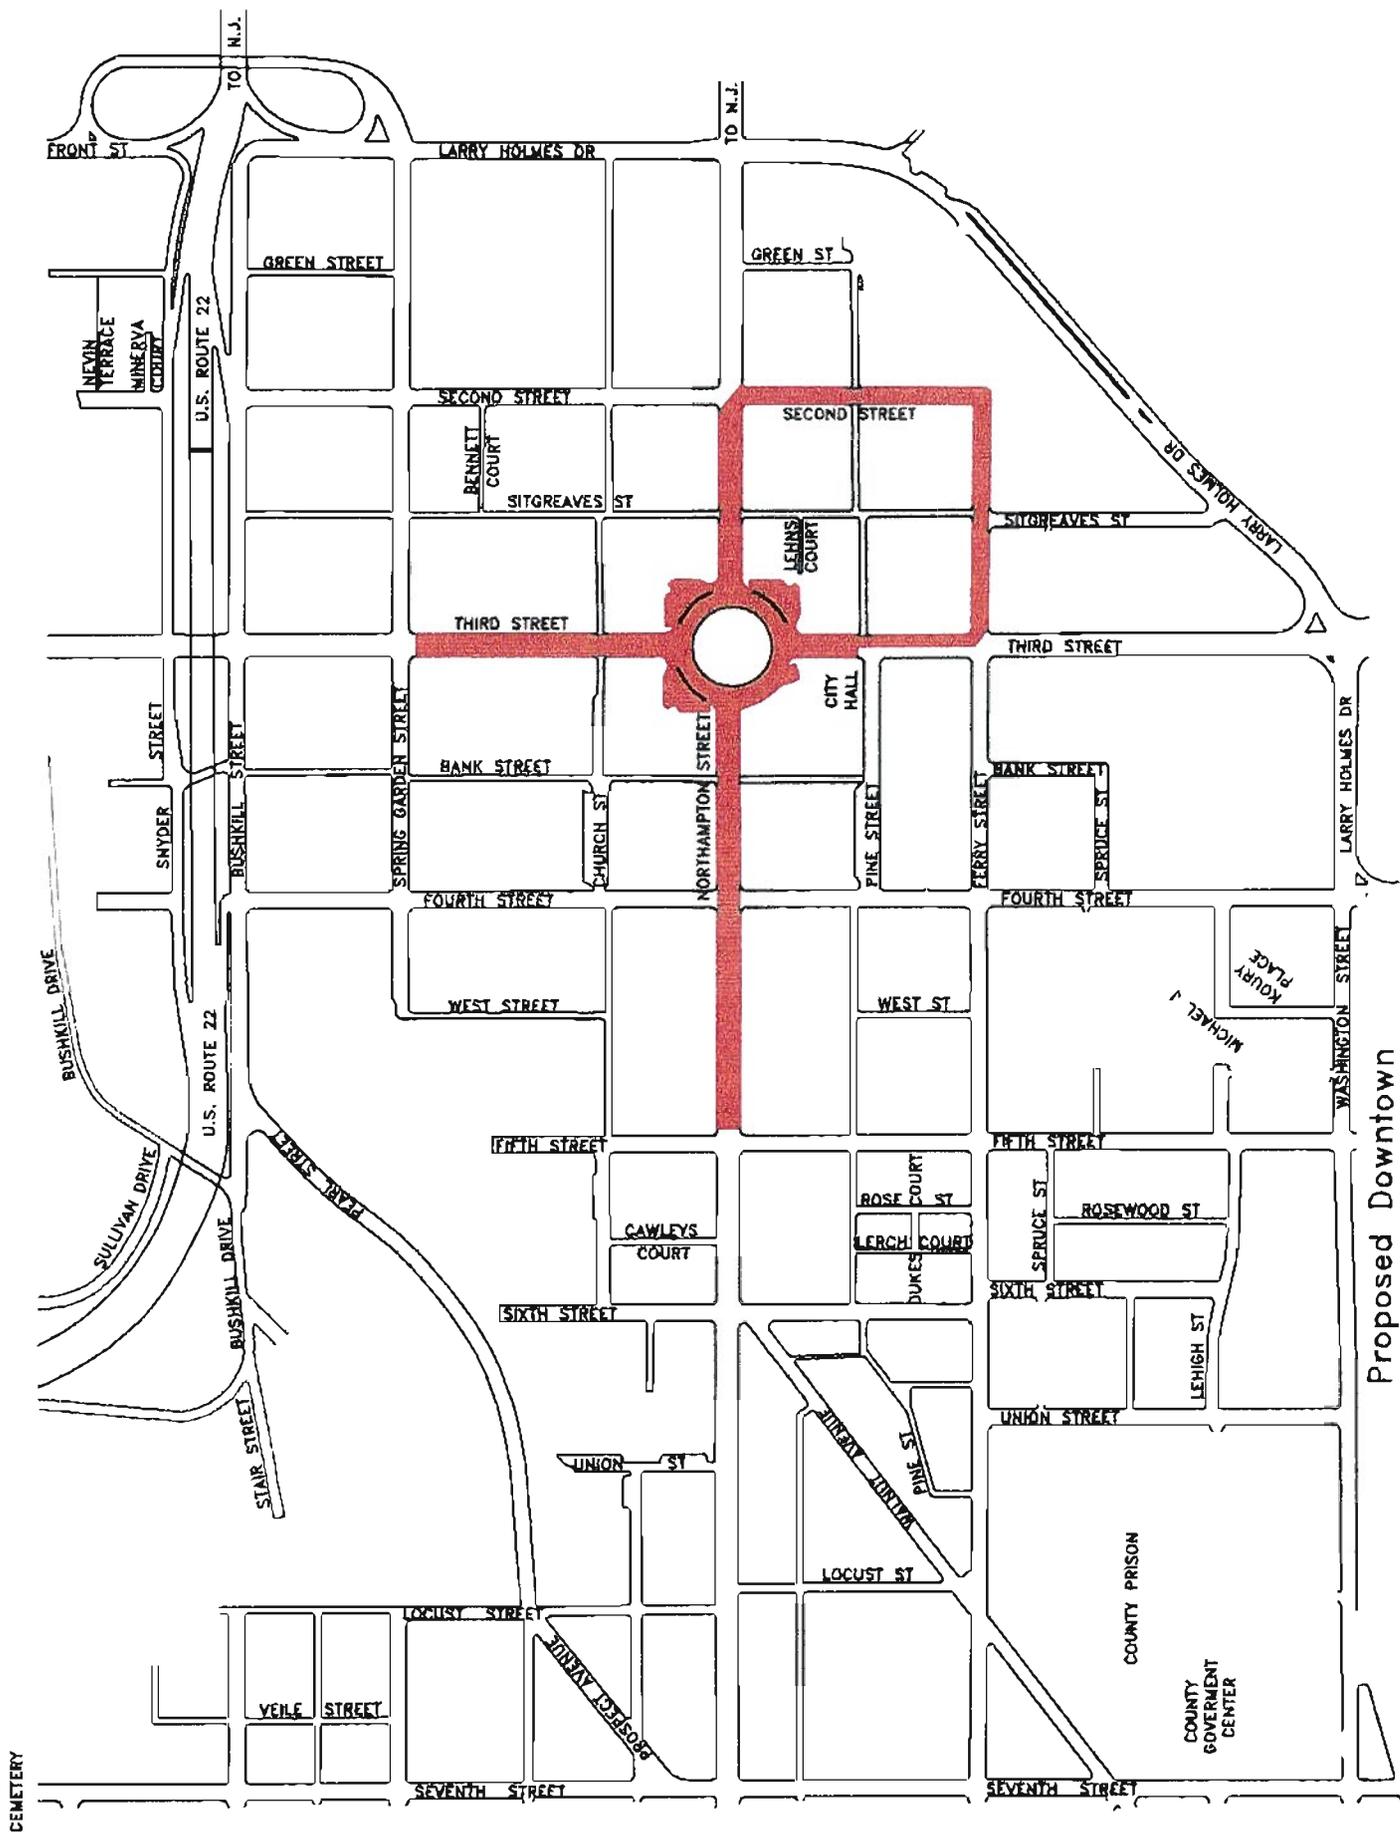

If you should receive a parking ticket for overtime parking (violation number 1 on the parking ticket) anytime from April 1st, 2013 forward, please note that the City of Easton will now accept a reduced fine if paid within 24 hours or by close of the next business day. The fine amount on the ticket will show that if paid between zero and one day, the fine will be \$15. This is new to the 2013 overtime parking ordinance.
